 Standard 1: 25%

Primary Repetition Rate
 Standard 1: 34%

To improve access to pre-primary education in the target area through grappling with quality improvement with Nkhata Bay District Social Welfare and Education Offices

1. The practical book for caregivers is developed and utilized.
2. The district officers acquire skills for training caregivers and teachers. The district officers train caregivers and teachers.
3. The monitoring system in the district office is enhanced.
4. The enlightenment activities for pre-primary education among local people are implemented.
